

## Lacer Wrist Short

A premium orthosis for rigid support and wrist stabilization, with a conformable stay and wrist strap to aid stabilization. Available in both a long (art.no 51427) and short version, with various sizes to suit all conditions. The lacing closure allows an easy one-handed application, while the palmar pad provides additional comfort and support. Comes with both volar and dorsal stays. Provides rigid wrist support for various injuries and conditions, pre-and post-operations.

### Indications for use:

Arthritis, sprains, strains & instability. Soft tissue injuries and conditions. Post fracture management.
