Camp® XXI TLSO

TLSO – Thoraco-Lumbo-Sacral Orthosis made of cotton fabric with an integrated polymer thread for light elasticity. Designed to fit both straight and curvy body shapes. Features a double Camp lacing system on each side with Velcro fastening. The orthosis is particularly suitable for patients with reduced hand function, as the level of compression and support can be adjusted entirely through the lacing system in combination with the reinforced straps.

Padded shoulder straps in the upper section help prevent chafing and enhance comfort. The straps cross over the upper back and attach at the front of the orthosis. Velcro closure at the front.

Recommended Range Of Application

Osteoporosis and kyphosis.

Item No.	Size	Pelvic Circumference	Height Back	Height Front
294370011	Small	85-95 cm	51 cm	21 cm
294370012	Medium	95-105 cm	51 cm	21 cm
294370013	Large	105-115 cm	51 cm	21 cm
