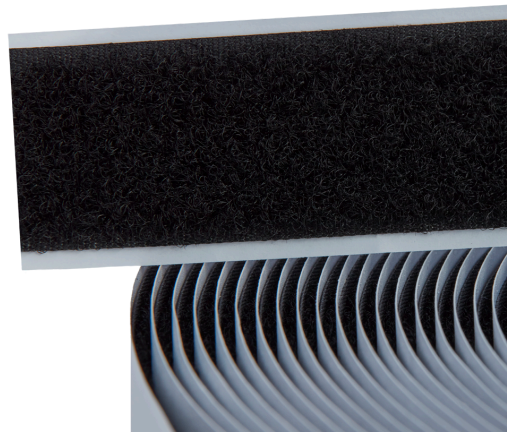
Halco Self-adhesive Loop



HALCO premium adhesive-backed Loop tape is coated with a high coat weight aggressive hotmelt rubber adhesive, ideal for use on smooth surfaces and for most general purpose applications.
Immediate high strength bond with high temperature resistance and outstanding peel and shear strength, these fasteners use premium grade yarn and are suitable for up to 5,000 open/close cycles.
Comes in a practical dispenser box for easy handling.

Recommended Range Of Application

Length: 25m rolls in Dispenser box
Oeko-Tex standard 100
